

## Application Form for Admission to Postgraduate Dual-Award Studies at International University of Malaya-Wales (IUMW)

This form must be completed **in full** by candidates applying to register for a Postgraduate Dual-Award Programme at International University of Malaya-Wales. Candidates for Master's degrees and University postgraduate diplomas and certificates may matriculate on the basis of holding a recognised degree or equivalent professional qualification. The University may also approve the admission of non-graduates whose relative lack of formal qualifications is compensated for by substantial relevant experience. The University has established protocols for the matriculation of non-graduate entrants to particular types of study. Such a candidate must have held a position of responsibility of relevance to the proposed scheme of study for an acceptable period of time. Irrespective of a candidate's entry qualifications, the University must be satisfied that he/she is of the required academic standard to complete the scheme of study proposed.

It is desirable though not a requirement of entry that candidates applying to register on an MBA have 2 years relevant and responsible experience in addition to the above mentioned entry requirements.

Please indicate, by ticking the appropriate box, the basis of your admission to your postgraduate scheme of study:
