Senior High School and College Students
The Philippines Schools

Dear Students:

The National Association of CPAs in Education (nACPAE), in partnership with RG Manabat & Co., KPMG in the Philippines, will hold the national elimination round of the very first ASEAN Future Sustainable Leaders 2021 (A-FSL 21) case competition. This event is a project of The ASEAN Accounting Education Workgroup (AAEW) and The International University of Malaya-Wales (IUMW). It is an online video competition in which groups of students of secondary and tertiary education will pitch ideas on multidisciplinary issues related to the United Nations' Sustainable Development Goals.

A-FSL 21 will be a series of two stages, the nationals and the regionals. The regionals will see a higher emphasis on the engagement between contestants from various ASEAN countries in striving towards a common goal. The contest likewise aims to train and develop young leaders of ASEAN in having a role in bringing a positive impact on society by generating creative solutions to real-world problems. Moreover, each ASEAN participating country is allowed to submit two finalists, group of four, coming from Senior High and College students.

In view of this, we are inviting all College and Senior High School students to join in the Philippine Elimination Round.

Mechanics:

- The competition is open to all enrolled College and Senior High Schools from any schools, colleges and universities in the Philippines.
- The students have to register in group of four not later than **September 18, 2021** with a letter of endorsement from their school head.
- The group has to create a ten (10)-minute video tackling one the United Nation Sustainable Development Goals to be submitted for Preliminary judging not later than **October 09, 2021**.
- The video should feature the following:
 - Introduction of the specific SDG's;
 - Emerging issues or problems about the chosen SDG; and
 - Possible Solutions to the problems presented
- The video will be rated in the following manner

Originality & Creativity	25%
Logical Sequencing of Ideas	25%
Adherence to the Chosen SDG	25%
Clarity of the Message Conveyed	<u>25%</u>
Total	<u>100%</u>
- The submitted video will be prejudged on **October 16, 2021** and the top 10 per category (Senior High School and College Level) will proceed to the Final round where the video makers will be asked for a virtual interview.
